

VINCENT MATHIEU

IT Administrator / DBA / IT Project Manager

Born 10th September 1981

Married, 1 child

43 rue des Teinturiers

Avignon, France

Driving license

French, English, German

Curious and open mind, I work in computer sciences since 1999. That gave me the opportunity to work for several different profiles companies.

Those experiences allowed me to improve my skill as analysis and global situation apprehension, reactivity and adaptability to different situation configurations.
